Total War: SHOGUN 2 is the perfect mix of real-time and turn-based strategy gaming for newcomers and veterans alike.. CRACKED FREE DOWNLOAD TORRENT Game Overview
CREATIVE ASSEMBLY, Feral Interactive (Mac), Feral Interactive (Linux) SEGA, Feral Interactive (Mac), Feral Interactive (Linux) 15 Mar, 2011 Strategy, RTS, Turn-Based, Action MASTER THE ART OF WAR In the darkest age of Japan, endless war leaves a country divided. It is the middle of the 16th Century in Feudal Japan. The country, once ruled by a unified government, is now split into many warring clans. Ten legendary warlords strive for supremacy as conspiracies and conflicts wrack the empire. Only one will rise above all to win the heart of a nation as the new shogun. The others will die by his sword. Take on the role of one Daimyo, the clan leader, and use military engagements, economics and diplomacy to achieve the ultimate goal: re-unite Japan under his supreme command and become the new Shogun - the undisputed ruler of a pacified nation. Game Features Total War: SHOGUN 2 features enhanced full 3D battles via land and sea, which made a name for the series, as well as the tactical campaign map that many refer to as the heart and soul of Total War. Featuring a brand new AI system inspired by the scriptures that influenced Japanese warfare, the millennia old Chinese Art of War, the Creative Assembly brings the wisdom of Master Sun Tsu to Total War: SHOGUN 2. Analysing this ancient text enabled the Creative Assembly to implement easy to understand yet deep strategical gameplay. Key Features: New RPG skills and experience for your Generals and Agents. New Multi-stage Sieges scaling the walls is only the beginning! New Hero units inspire your men and carve through the enemy. New rotating 3D map.
